**We view our relationships with clients as true partnerships. By understanding your business objectives and culture, we can provide tailored recruitment solutions that align with your long-term goals.**

# CANDIDATES SERVICES

## Candidate evaluation Report

In Evaluation report, we get to know the strengths and weakness of candidates, places where he can improve and future scope.

## Live Project Work

We provide live project for our candidates to work on. This gives them hands on experience on real world problems.

## Mock Interviews

We conduct various mocks depending upon requirements. Mock helps candidates to prepare for interviews.

## Placement

Our sole purpose is to provide an opportunity to every candidate. And we make sure they crack it on first attempt

# Recruitment Process

1

## Stage 1

### Initial Interview

Conduct phone or video interviews to assess basic qualifications, communication, and initial fit.

2

## Stage 2

### Assessment Tests

Administer skills assessments, aptitude tests, or other relevant evaluations, depending on the nature of the position.

3

## Stage 3

### Face-to-Face Interviews

Conduct in-person interviews with key stakeholders or a hiring panel.

4

## Stage 4

### Final Interviews

Conduct final interviews with senior management or decision-makers.

5

## Stage 5

### Job Offer

Extend a job offer to selected ones. Negotiate terms, including salary, benefits, and start date.

6

## Stage 6

### Offer Acceptance

Confirm the candidate's acceptance of the job offer.

7

## Stage 7

### Onboarding

Welcome the new employee and facilitate their integration into the company. Provide necessary training and orientation.
